◆ Award Winning Videography ◆

Captain Video Productions has received awards in Cinematography and Editing by the (O.K.P.V.A.) for several years running.

Tulsa families have been trusting Captain Video with their memories since 1985. Your day deserves the emotion and cinematic style that Captain Video provides – not just a “posed still smile”. When your wedding is over, all you’ll have is memories, and that’s what Captain Video provides – “MEMORIES”.

We have been told again and again that their wedding video was the best thing they spent their money on!!

UNIQUE FEATURES

Steadicam captures the Bride and all aisle activity. After the ceremony, the camera moves smoothly and gives a cinematic look to capture behind-the-scenes.

Unmanned Robotic Camera – front camera, controlled from another location without having a person visible. Can be used in situations where church protocol won’t allow a normal front camera.
