## **Terms and Conditions**

The deposit is deducted from your balance. The remaining balance is paid in two parts. One half of the balance is due one week before the wedding date. The remaining half is due after completion by Captain Video. If we do not receive half of the balance before your wedding date, there will be an additional \$25.00 added to your account. If project is not paid for and picked up within two weeks after we contact you that your order is complete, we have the right to use the credit card that is on file for your remaining balance.

Our wedding prices include <u>four hours</u> on location for your wedding and reception beginning one hour before the ceremony time. This will allow us time to set up and capture pre-shots. If more time is needed, there will be a \$85.00/hour additional investment for videography and \$200/hr. for photography. If photos are being taken earlier, the time will start when time is scheduled to start taking photos. <u>Out of town weddings and receptions</u> will have a \$ .50 per mile added charge.

<u>Videography</u>: **Please send us an <u>invitation</u> for your beginning of the video**. If we do not receive invitation in time for editing process, we will type a title page for the beginning. <u>Music</u> will be selected by Captain Video unless other arrangements are made. Captain Video, Inc. will not be responsible for <u>lighting conditions</u>. Please consult us on lighting for best quality. If you have a front camera – we usually always try to be on the front right side diagonally from the bride and groom. We are not responsible for hair and makeup and how it affects your looks. Captain Video, Inc. will not be held liable for any mental distress in case of a technical difficulty. Any deposits will be returned only in the case of this situation.

If there is a <u>date or time change</u> after you have filled out this paperwork, please notify us, verify that we are available for this change, and send us the change in writing. <u>Any changes after completion are subject to \$75/hr</u>. Captain Video reserves the right to use your footage of your event for all media and marketing purposes.
